

TU Mailserver

```
graph LR; A[TU Mailserver] -- "Anfrage von Mailserver" --> B[FreeRADIUS]; B -- "Anfrage an LDAP" --> C[OpenLDAP];
```

The diagram illustrates a workflow for an LDAP query. It starts with a blue box labeled 'TU Mailserver'. An arrow labeled 'Anfrage von Mailserver' points from this box to a purple box labeled 'FreeRADIUS'. From 'FreeRADIUS', another arrow labeled 'Anfrage an LDAP' points to a green box labeled 'OpenLDAP'. A large black rectangular frame encloses the 'FreeRADIUS' and 'OpenLDAP' boxes, with the text 'id.fg-networking.de' centered below them.

Anfrage von Mailserver
